A white Pegaso truck is driving on a multi-lane highway. The truck is in the left lane, moving towards the camera. In the right lane, a silver car is driving away from the camera. Further ahead in the right lane, a white van is visible. The highway is bordered by metal guardrails. The background shows a landscape with green fields, trees, and hills under a cloudy sky.

A black and white photograph showing two white trucks with cranes parked on a street. The truck in the foreground is a cab-over-engine model with a crane mounted on its back. The crane's boom is extended upwards. The truck has a circular logo on its side and some text on the door, which is partially legible as "A.T. TRUCKS". The second truck is parked behind it, also with a crane. The background shows a building with windows. The overall scene is outdoors on a paved surface.
