A close-up photograph of a vintage car's front grille. The grille features vertical chrome slats and a prominent chrome hood ornament. The hood ornament is a stylized, winged figure, possibly a Pegasus, with a white body and blue wings. In the center of the hood ornament is a white, shield-shaped badge with a blue border containing the word "DELAHAYE" in blue, bold, sans-serif capital letters. The car's body is painted a light, metallic silver color. The lighting is bright, creating strong highlights and shadows on the chrome and paint.

DELAHAYE
